

of feeling, we want - to see
a feeling we want - to see
a humor being in this state
is a most striking comment
on the text "Wife was not
made for man" - I teachers
more forcibly than death,
inasmuch as it remains
longer present to the imagi-
nation, the necessity of im-
proving our faculties with
all diligence whilst we are
blessed with them, of "working
while it is called today -"
My Sister tells me Gaspar

Vasa has been at Longport
my Brother was not at h.
Ch. Vasa had been on a
to Ch. Longport in the
It was not, he said, with
to leave the country with
seeing my Brother, to
he had been introduced
in London - my Brother
then purchased of him
removes of his life
by himself; & I believe
business at this time
to get introduced
